WHAT THIS DDPI DOES NOT AUTHORISE

- It does not authorise any off-market transfer of your securities. Every off-market transfer needs a Delivery Instruction Slip signed by you, or an e-DIS with your OTP consent.
- It does not authorise the execution of any trade without your consent.
- It does not stop you from receiving a Delivery Instruction Slip booklet or from operating your own demat account.
- Securities moved under this DDPI can only go to the pool / clearing member accounts listed in Annexure B or to the Clearing Corporation — never to any other account.
- The Depository checks every pay-in instruction against your net delivery obligation received from the Clearing Corporation; an instruction that exceeds your obligation is rejected.

YOUR CHOICE AND YOUR RIGHT TO REVOKE

Executing a DDPI is voluntary. We will never compel you to execute a DDPI or a Power of Attorney, and we will not deny you any service if you choose not to. You may settle your obligations yourself through a physical DIS or e-DIS. You may revoke or cancel this DDPI at any time by written notice to us.

This DDPI is executed on stamp paper of the value prescribed under the applicable Stamp Act, or is adequately stamped by way of e-stamping.
